

Scholarships

~ *Diploma / Degree in Early Childhood Education*

We offer bond scholarships to help bright and talented youths from tertiary education institution pursue their academic dreams. As YKDS scholar, you will take on-job training and real experience becoming a competency preschool teacher

Undergraduate

Application

At YKDS, our philosophy is to promote humanity and education specializing in preschool education. Hence, we wish to contribute into early childhood education help and develop their full potential through quality education. Since 2018, the YKDS Scholarship has been providing financial assistance to help bright and promising youths or adult in achieving their ambitions while contribute a meaningful role to our next generation.

Aparting from financial assistance to support tuition fees, we also provide our scholars with priority internship opportunities to hand-on-experience in our preschool. We engage our scholars in career conversation and teacher training as we understand the importance of being prepared when you enter as real workforce.

The scholarship is open to students/ YKSD employees who are interested in Diploma / Degree in Early Childhood Education and have gained admission or are eligible for admission into first year study at all public and private colleges / school/ universities recognised by the Government of Malaysia. We also welcome the first year students of these universities to apply.
